

The correlations between 2019 IMD and Real-time Index

Based on 311 areas in England.

Notes: Each dot is a local authority in England. Author calculations derived from Office for National Statistics, Experian, Fable Data, Huq, Decision Maker Panel (derived by Will Rossiter & Konstantinos Karagounis, Nottingham Trent University), Ministry of Housing, Communities & Local Government English Index of Multiple Deprivation (2019) and Her Majesty's Treasury Levelling Up Fund priority category datasets.
